Dear Parents & Carers,

Thank you for your support with the launch of our '11 before 11' reading challenge last term.

We are excited to be continuing the challenge this year and hope to inspire the children with more exciting texts in their new year group.

Once your child has completed all of their year group books they will receive a certificate in assembly and the class with the most books read at the end of the year will win a special, whole class award.

The children will continue to have a tracking sheet in their reading journals for you to sign once each book has been read. The children will then be asked some simple comprehension questions by their class teacher to check their understanding.

We have copies of all of the chosen texts in school for the children to borrow but the children are more than welcome to read their own copies if they have them at home. Copies of the books are also available at the local libraries. We will be fundraising throughout the year to try to raise money to purchase extra class copies.

A number of families purchased copies of their year group challenge books last term. If they are no longer needed then we would very much welcome your donations.
