Dear Parents & Carers,

Re. National Schools Breakfast Programme

I am delighted to share with you that we are working with the National Schools Breakfast Programme to enable us to provide a free daily breakfast here at Courtwood, for all pupils who wish to access this provision.

The aim of the National School Breakfast Programme is to ensure no child starts the day too hungry to learn. The programme is being delivered by a partnership of two charities, Family Action and Magic Breakfast, and is funded by the Department for Education.

The breakfast will be open to all children and run every day of the week between 8.30am when the school gates open and 8.45am, when the school bell rings. All children are welcome to attend, regardless of if they have had time for breakfast at home or not.

We are aiming to begin the provision in January 2019, when the children start back after the Christmas holidays. Further details will be provided in due course.

To help us plan effectively for the Breakfast Programme, please would you indicate whether or not your child would be likely to access the breakfast provision, and if so, which of the food options they would be interested in, by filling in and returning the form below.

We would also be grateful to hear from any parents who may be willing to assist in the running of the breakfast provision and could consider committing a regular day per week to

volunteer for 30-45 minutes between 8.15 - 9.00am, to assist with tasks such as heating bagels and porridge/washing up.

Thank you for your continued support.

Yours Sincerely,

Miss J Stawman
