Please be patient if they cannot reply immediately.

YEAR 1 HOME LEARNING

Twitter: Tag us in pictures of you learning from home! @CourtwoodSchool

Dear Parents,

Here is an overview of tasks we'd like the children to be completing at home over the forthcoming week(s). We are committed to ensuring that your child is still learning as much as possible and endeavour to do our absolute best to keep this happening. We will be in communication with you via email as much as possible during this time.

Warmest regards,
Mrs Sisson and Mrs Troy

Spelling

Log in to Spelling Shed and have a go at completing the tasks set. Children can also practise in the competition area.

Writing

Go to <http://www.pobble365.com/>

Choose to write sentences to describe the picture or maybe write a short story. Remember to use capital letters, full stops and clear finger spaces. Can you use a conjunction to join your sentences together? Have you formed your letters correctly?

We would love you to share the writing with us that you produce - let your imagination run wild!

Daily Reading

There is still an expectation that children will read daily and have a signed signature in their diary. This is a great opportunity to read some good books - us adults certainly will be! Remember you also have Bug Club to log on to read electronic books that have been allocated.

Project Work

Log in to Purple Mash and complete:

- '2Do', comparing old and new toys.
- Pairs game - matching old and new toys.
- Design your own dice game and write instructions of how to play it.

Design a poster to advertise a new toy coming soon to the shops. How would you persuade me to buy it?

Using magazines, pictures from the internet create a collage of toys. Think about how you could sort the different pictures, for example: materials they are made from, do they move, how do they work.

Using the Lego challenge sheet on Google Classroom, how many amazing designs can you make being a Lego inventor?

Maths

White Rose

Coming soon...

Daily Times Tables:

Log in to Maths Shed and have a go at the games.

Log in to Top Marks and test yourself on your 2, 5 and 10 x tables, as well as your number bonds to 10 and 20.

Play a board game like snakes and ladders, snap or Top Trumps to keep your counting and number recognition skills sharp.

Log on to Google Classroom and try working through the Maths Booklet each day.

Homework Tasks

Remember, that the half-termly homework tasks have already been set and can still be completed. There are up to nine tasks available on these, so why not see if you can complete a few more than you might do normally.

Phonics

Phonics Bloom - <https://www.phonicsbloom.com/>

In preparation for the Phonics Screening Test in June, please continue to practice reading real and alien words using these games. Make sure you choose the games in Phases 4 and 5.

Why don't you have a practice of one of the Phonics Screening past tests.

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/809986/2019_phonics_pupils_materials_standard.pdf

Also on Phonics Bloom are some great games for practising reading tricky words and sentences. Have a go at 'Yes/No Yeti' and 'Tricky Trucks'.

Twinkl - <https://www.twinkl.co.uk/offer>

Twinkl are offering a months subscription free. Create an account and enter the code UKTWINKLHELPS to access. There are loads of sheets, reading comprehensions and topic based work for you to print and work on.

Our '50 Things to Do Outside Before you Leave Courtwood' challenge is still running - if you have a garden or outside space, why not see if you can tick any of these off of the list.

YEAR 1 HOME LEARNING

Some other things to give a try:

Make some Playdough

Makes 1 coloured ball

Prep 10 minutes

You will need

- 8 tbsp plain flour
- 2 tbsp table salt
- 60ml warm water
- food colouring
- 1 tbsp vegetable oil

Method

1. Mix the flour and salt in a large bowl. In a separate bowl mix together the water, a few drops of food colouring and the oil.
2. Pour the coloured water into the flour mix and bring together with a spoon.
3. Dust a work surface with a little flour and turn out the dough. Knead together for a few minutes to form a smooth, pliable dough. If you want a more intense colour you can work in a few extra drops of food colouring.
4. Store in a plastic sandwich bag (squeeze out the air) in the fridge to keep it fresh.

Write a Letter to Someone

Choose someone to write to about having to be at home while school is closed. Tell them who is at home with you and what sorts of things you have been doing.

If you would like to write to Mrs Sisson, use the school address and we will pick it up and hopefully write back to you!

Courtwood Primary School
Courtwood Lane
Addington
Croydon
Surrey
CRO 9HX

Make a Daily Weather Report, Nature Survey or Traffic Survey

Watch out of your window for 10 minutes - how many vehicles do you see? What kinds? What colours? Can you make a bar graph to show which was the most frequent / least frequent?

Keep a diary of the weather - make a note each time it changes - how many different types of weather can you see in one day? What signs of the changes from Winter to Spring do you see?

Watch your balcony / garden for 10-15 minutes. How many birds do you see? How many different kinds? Do you see any other animals e.g. squirrels or cats or dogs

Do some Cooking and Baking

Make biscuits and decorate them, make cakes or choose something you haven't made before and learn a new recipe

Cooking with kids:

<https://www.bbcgoodfood.com/recipes/col-lection/kids-cooking>

Baking with kids:

<https://www.bbcgoodfood.com/recipes/col-lection/kids-baking>

<https://www.bbcgoodfood.com/recipes/col-lection/school-holiday>

Take a photo of what you have made - you could make your own recipe book and write out the recipe too.

Create a Measurement Scavenger Hunt

Give children a grid with some pre-set weights and lengths on. Then challenge them to find something in the house or garden that is 10cm long, or something that weighs 300g.

Have a ruler and scale for them to check their objects.

Make Your Own Dictionary

Go through newspapers and magazines to find words starting with different letters of the alphabet and create your own book. Draw pictures to illustrate as many of the words as you can.

Practise some Yoga

Have a look at Cosmic Kids Yoga <https://www.youtube.com/user/CosmicKidsYoga?reload=9>
Depending on how you are feeling, choose a video to follow. Some are only a couple of minutes long; some are up to 30 minutes and tell a detailed story as they go along.

Make a Model from Junk

Use clean yoghurt pots, kitchen towel tubes, empty boxes etc and make a model
You could make a car, a rocket, a submarine, a see saw or other things you'd find in a park. You could make a whole adventure playground for some little people to play in.
