If you want extra literacy work, you can complete the daily work for each picture on there.

I would love you to share the writing with us that you produce - let your imagination run wild!

Remember, you can contact your teacher if you need any help with your work via Google Classroom using this email: boucyleila@gmail.com

Please be patient if they cannot reply immediately.

YEAR 5 HOME LEARNING

Twitter: Tag us in pictures of you learning from home! @CourtwoodSchool

Dear Parents,

Here is an overview of tasks we'd like the children to be completing at home over the forthcoming week(s). We are committed to ensuring that your child is still learning as much as possible and endeavour to do our absolute best to keep this happening. We will be in communication with you via email as much as possible during this time.

Warmest regards,
Miss Boucly

Project Work

This term, we have been working on Earth and Space. 3 activities have been set on Purple Mash.

Galileo Factfile:

https://www.purplemash.com/#app/pup/Galileo_Factfile

Alien Visitor:

https://www.purplemash.com/#app/postcards/alien_visit

Planet facts:

https://www.purplemash.com/#app/guides/2investigate_planets_questions_quiz

Literacy

Join Google Classroom and follow instructions from Day 1 to 5.

To join Year 5 Google Classroom, use the class code: 115h3ox

Spelling

Log in to Spelling Shed and have a go at completing the tasks set. Children can also practise in the competition area.

Daily Reading

There is still an expectation that children will read daily and have a signed signature in their reading record. This is a great opportunity to read some good books - us adults certainly will be! I will also be putting pages of the Jamie Drake book on Google classroom, as we have started reading it in class.

Maths

This term, we have been working on fractions and decimals.

Purple Mash

I have set several tasks on Purple Mash; you can find them by logging on and click on 2Dos.

Day 1: complete *Locating Decimals* and *Number lines*

Day 2: complete *Fractions, Decimals and Percentages* and *Decimal and fractions pairs*.

Day 3: complete *Decimal places* and *Compare & Order Decimals*

Day 4: Complete *Problem solving*

Day 5: Complete *Problems involving Decimals*

Daily Times Tables:

Log in to Maths Shed and have a go at the games.

Homework Tasks

Remember, that the half-termly homework tasks have already been set and can still be completed. There are up to nine tasks available on these, so why not see if you can complete a few more than you might do normally.

Twinkl - <https://www.twinkl.co.uk/offer>

Twinkl are offering a months subscription free. Create an account and enter the code UKTWINKLHELPS to access. There are loads of sheets, reading comprehensions and topic based work for you to print and work on.

Our '50 Things to Do Outside Before you Leave Courtwood' challenge is still running - if you have a garden or outside space, why not see if you can tick any of these off of the list.

Some other things to give a try:

<p>Make some Playdough</p> <p>Makes 1 coloured ball Prep 10 minutes You will need</p> <ul style="list-style-type: none">• 8 tbsp plain flour• 2 tbsp table salt• 60ml warm water• food colouring• 1 tbsp vegetable oil <p>Method</p> <ol style="list-style-type: none">1. Mix the flour and salt in a large bowl. In a separate bowl mix together the water, a few drops of food colouring and the oil.2. Pour the coloured water into the flour mix and bring together with a spoon.3. Dust a work surface with a little flour and turn out the dough. Knead together for a few minutes to form a smooth, pliable dough. If you want a more intense colour you can work in a few extra drops of food colouring.4. Store in a plastic sandwich bag (squeeze out the air) in the fridge to keep it fresh.	<p>Make a Daily Weather Report, Nature Survey or Traffic Survey</p> <p>Watch out of your window for 10 minutes - how many vehicles do you see? What kinds? What colours? Can you make a bar graph to show which was the most frequent / least frequent?</p> <p>Keep a diary of the weather - make a note each time it changes - how many different types of weather can you see in one day?</p> <p>Watch your balcony / garden for 10-15 minutes. How many birds do you see? How many different kinds? Do you see any other animals e.g. squirrels or cats or dogs</p>	<p>Create a Measurement Scavenger Hunt</p> <p>Give children a grid with some pre-set weights and lengths on. Then challenge them to find something in the house or garden that is 10cm long, or something that weighs 300g.</p> <p>Have a ruler and scale for them to check their objects.</p> <p>Make Your Own Dictionary</p> <p>Go through newspapers and magazines to find words starting with different letters of the alphabet and create your own book. Draw pictures to illustrate as many of the words as you can</p>
<p>Write a Letter to Someone</p> <p>Choose someone to write to about having to be at home while school is closed. Tell them who is at home with you and what sorts of things you have been doing.</p> <p>If you would like to write to Miss Boucly, Mrs Ayodele or Ms Grzesik, use the school address and we will pick it up and hopefully write back to you!</p> <p>Courtwood Primary School Courtwood Lane Addington Croydon Surrey CRO 9HX</p>	<p>Do some Cooking and Baking</p> <p>Make biscuits and decorate them, make cakes or choose something you haven't made before and learn a new recipe</p> <p>Cooking with kids: https://www.bbcgoodfood.com/recipes/col-lection/kids-cooking</p> <p>Baking with kids: https://www.bbcgoodfood.com/recipes/col-lection/kids-baking https://www.bbcgoodfood.com/recipes/col-lection/school-holiday</p> <p>Take a photo of what you have made - you could make your own recipe book and write out the recipe too.</p>	<p>Practise some Yoga</p> <p>Have a look at Cosmic Kids Yoga https://www.youtube.com/user/CosmicKidsYoga?reload=9</p> <p>Depending on how you are feeling, choose a video to follow. Some are only a couple of minutes long; some are up to 30 minutes and tell a detailed story as they go along.</p> <p>Make a Model from Junk</p> <p>Use clean yoghurt pots, kitchen towel tubes, empty boxes etc and make a model. You could make a car, a rocket, a submarine, a see saw or other things you'd find in a park. You could make a whole adventure playground for some little people to play in</p>
