# YEAR 6 HOME LEARNING

Twitter: Tag us in pictures of you learning from home! @CourtwoodSchool

Dear Parents,

Here is an overview of tasks we'd like the children to be completing at home over the forthcoming week(s). We are committed to ensuring that your child is still learning as much as possible and endeavour to do our absolute best to keep this happening. We will be in communication with you via email as much as possible during this time.

Warmest regards,  
Miss Bird

## Writing

Go to <http://www.pobble365.com/>

Complete the daily work for each picture on there. We would love you to share the writing with us that you produce - let your imagination run wild!

## Daily Reading

There is still an expectation that children will read daily and have a signed signature in their diary. This is a great opportunity to read some good books - us adults certainly will be!

## Maths revision

Year 6 need to complete the two maths revision packs that were sent home. These packs offer a variety of reasoning and arithmetic questions that are very similar to those they will get in their SATs.

If children want more practise then they can log onto purple mash and go into the maths section and complete a variety of activities.
